

'The Pathway to Godly Fatherhood'

The Biblical Model of Mentorship

The Ambassador Role

Paul identified as Christ's representative, sent with full authority to share the "promise of life".

The Spiritual Son

Paul mentored Timothy until he became a "mirror image" in character, message, and mission.

The Power of Influence

Godly fatherhood is an "unsung asset" that provides a template for family health and spiritual growth.

The Father's Checklist

Model the Mission

Live as an ambassador whose words and lifestyle represent the ways of Christ to your children.

Learn and Lead the Home

Act as a "prophet" in the home by praying with children and teaching the Bible daily.

Love Sacrificially

Offer life-giving words, presence, and affection so children see love in action every day.
