

Work That Worship: Finding Divine Purpose in the Daily Grind

LIVING WITH PURPOSEFUL WORK

A Broader View of "Work"

Work is anything done for God's glory, whether paid, unpaid, glamorous, or mundane.

Reborn for Good Works

We are God's workmanship, saved specifically to carry out the "good works" He prepared.

THE THREE DIMENSIONS OF WORK

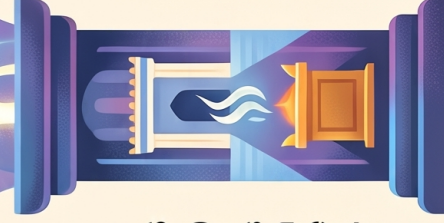

A Good Gift from the Creator

Work has inherent dignity because God is a worker who created us to rule.

Work as Worship

Biblaueage links Adam's work in Eden to the sacred service of temple priests.

Priestly Worship

Biblical language links work to the sacred service of priests.

The Purpose of the "Grind"

Difficulty in work prevents us from turning our careers into idols instead of God.
